Re: All Health Insurance Forms in this State

Dear Sir or Madam:

In recent years, the interest rate applicable to the calculation of policy reserves for supplemental health insurance policies National Teachers Associates Life Insurance Company has issued during that time has been 4%. The prescribed interest rate becomes 3.5% for these insurance policies issued as of January 1, 2013. National Teachers Associates Life Insurance Company will develop reserves in accordance with this requirement.

Reserves for all these products will be calculated using the same methods set forth in memoranda previously provided to the state when they were originally filed and approved except for the noted change in the assumed interest rate.

If you have any questions, please feel free to call.

Sincerely,

David V. Smith

Vice President and Chief Actuary, F.S.A., M.A.A.A., C.E.R.A., F.L.M.I., C.L.U.
